

*“I’ve spent the last 14 years
in wonderful health with
the people I love.
Thank you, LMC!”*

Jorge De La Garza
Open Heart Surgery Success

Patient results may vary. Consult your physician about
the benefits and risks of cardiac surgery.

“It’s been 14 years now. As you can see, my open heart surgery at Laredo Medical Center was a total success. No other hospital in this area has more skill* or experience in caring for hearts. It was a job well done. I was back at work just six days later and am still in very good health today. Thank you, LMC.”
