

*“Now I can be the kind of  
mother I always wanted to be.  
Thank you, LMC!”*

and risks of weight loss surgery.

“I wanted to be around for my son – to protect him and help him grow up. But my weight problem was making my diabetes and the complications that go with it dangerous and hard to control. The weight loss surgery and support I got at Laredo Medical Center changed my life. I can hardly believe I’m off all my medications. And I have the energy to play with my son. Thank you, LMC.”
